

LONGS PEAK NETWORKING

FACT SHEET

Purpose

LongsPeakNet is a non-profit, all-volunteer networking organization for job seekers in Longmont and the surrounding area. Its purpose is to provide a supportive environment of networking and motivation. Members acquire relevant job seeking skills. Employers are offered efficient access to an experienced and diverse pool of talent.

LongsPeakNet provides high-quality programs and workshops to build strong job-seeking skills. The Outreach program builds strong relationships with regional employers to provide qualified, local talent who are available immediately. The Alumni program is a resource for unposted jobs with employers of alumni.

Objectives

- Offer job seeking skills, motivational programs and workshops
- Partner with key community organizations
- Foster effective networking
- Share current job leads
- Provide face-to-face opportunities with recruiters and local companies
- Create supportive and motivational environment

Goal

LongsPeakNet enables and facilitates an efficient and effective match of Boulder County employers with job seekers in the Longmont region.

LongsPeakNet's Offerings to Employers and Recruiters

LongsPeakNet is an excellent source of talented professionals in Boulder County and the surrounding areas. Our membership possess a wide spectrum of employer experience from startups to corporations. Their experience ranges from skilled professionals to mid and senior-level management.

LongsPeakNet provides access to a base of experienced, local candidates with immediate availability. In addition, LongsPeakNet is an efficient and cost effective method for finding the best candidates for their businesses.

LongsPeakNet's Offering to Membership

- Networking forum with fellow job seekers in a supportive environment
- Weekly workshops and programs to sharpen job seeking skills
- Opportunity to meet with recruiters and company HR representatives
- Connection with other networking resources like LinkedIn Groups
- Opportunity to contribute expertise and insight through committee involvement

Meetings

LongsPeakNet meetings begin with a new members orientation and networking for current members, followed by a program for all members, and additional networking time.

LongsPeakNet meets every Tuesday morning at the Fellowship Center of Lifebridge Christian Church in Longmont. New member orientation and networking begins at 8:30 a.m. followed by the main program at 9:00 a.m. and additional networking until 11:15 a.m. Lifebridge is located at 10345 Ute Highway (west of US287 off Highway 66).

Values

LongsPeakNet is a values-based organization. The following values are our guide and foundation around which we make all organizational decisions.

- Professionalism
- Give, and Get, and Give Back
- Proactive, participative members
- Integrity
- Motivational support
- Networking environment
