

About Us

LongsPeakNet is a non-profit, all-volunteer networking organization for job seekers in Longmont and the surrounding area. Its purpose is to provide a supportive environment of **networking** and **motivation**.

Members acquire relevant job seeking **skills**. Employers are offered efficient access to an experienced and diverse pool of talent.

Goal

LongsPeakNet enables and facilitates an efficient and effective match of Boulder County employers with job seekers in the Longmont region.

Objectives

- Offer job seeking skills, motivational programs and workshops
- Partner with key community organizations
- Foster effective networking
- Share job leads
- Provide face-to-face opportunities with recruiters and employers
- Create supportive and motivational environment

Values

- Professionalism
- Give, Get, and Give Back philosophy
- Proactive, participatory membership
- Integrity
- Supportive and collaborative attitude

Collaboration

LongsPeakNet collaborates with other job seeker networking groups, providers of career services and key community partners along the Front Range. This collaboration builds awareness of the wide range of existing organizations and services that will meet the career goals of our membership.

Philosophy

Give:

- Job tips, job leads
- Knowledge
- Training
- Support
- Success stories

Get
